Dear WCEE2024 Attendees,

Three weeks after the conclusion of this memorable event, we are sending you one final message to recap its remarkable facts & figures. This conference exceeded all expectations, and we extend our heartfelt thanks to each and every one of you for contributing to its success.

Conference Highlights and Statistics:

- **Record Attendance:** WCEE2024 welcomed over 4,250 participants from 82 countries, making it the largest gathering in the conference's history.
- **Scientific Contributions:** We received 3,820 final submissions from 3,720 different authors. By the end of the conference's week, on July 5th, 910 participants had downloaded 9,400 papers from the [18WCEE Repository](#). As of today's date, the total number of downloads is 129,656.
- **Engaging Sessions:** The conference featured 161 technical sessions entirely proposed by the community, which were convened by 340 scholars from 70 countries.
- **Side Events:** There were close to 40 side meetings, four technical visits, and a Mobile Shake-Table that was experienced by 1,300 conference participants.
- **Industry Participation:** The Exhibition Area featured more than 110 booths, allowing a lively and active interaction between research and industry, between public and private sectors, between conceptual advancement and technological implementation.
- **Social Events:** The Welcome Reception featured 1,700 participants, while the exclusive evening at La Scala Theatre attracted 1,800 attendees. The Conference Party saw the participation of 1,100 delegates and the Table Football Championship, featuring 32 teams and 63 matches, was also a highlight.
- **App Engagement:** The WCEE2024 App was downloaded 1,700 times on iOS and 1,200 times on Android as of July 11th.
- **Social Media Presence:** During the WCEE2024 week, our social media reach extended to 110,200 unique individuals, with 4,700 actively engaging with our content. Our Instagram following saw a 90-fold increase.

The success of WCEE2024 is a testament to our community's vibrant and collaborative nature. We are already looking forward to the next conference, which will be held in Montreal, Canada, from October 1st to 6th, 2028.

Stay Connected:

- **Video Overview:** Relive the conference's highlights with our [video recap](#).
- **Certificates of Attendance:** If you did not print them directly from the totems at the conference venue entrance, you can still get them. Just complete this simple customer satisfaction [questionnaire](#), after which a certificate in pdf format will be generated.
- **Masters Series Volumes:** if you were unable to collect the volumes during the conference, just contact info@eucentre.it for information on how to receive them.
- **18WCEE Proceedings:** These will be made publicly available in the future, once we will have received feedback from Scopus. For the time being, they will continue to be accessible only to registered conference participants, at the [conference's repository](#).
