

MILAN, ITALY
30TH JUNE - 5TH JULY 2024

www.wcee2024.it

The [18th World Conference on Earthquake Engineering – WCEE 2024](#) will be held in **Milan** from **30th June to 5th July 2024**.

The event is expected to be attended by 4000+ participants from around the world, from both the academia and industry sectors. As is customary, the conference venue will include an exhibition area dedicated to hosting corporate and public institution booths. These booths will serve as platforms for the promotion of technological solutions and initiatives within the fields of structural and geotechnical earthquake engineering, geophysics, seismology, risk management, and related fields.

For sponsorship and exhibition opportunities please refer to the [updated sponsorship booklet](#) available on the website.

We look forward to partner with you in the organization of this event. For any further information do not hesitate to contact [Prof. Roberto Nascimbene](#).

Kind regards,
Eucentre Foundation
